THERE'S A RUSSIAN VERSION, BUT IT'S NOT IN UNDERWEAD BUT... LANGUAGE! THERE'S ALSO A SCOTTISH ONE THAT TALKS ABOUT... BRANNOCH!

I THINK WE CAN CONCLUDE THAT THE COMPARISON OF THE POWERS IS OF LITTLE IMPORTANCE...

UNFORTUNATELY NONE OF THE VERSIONS EXPLAIN EXACTLY HOW TO MAKE THE UNDERWEAD MAN COME TO LIFE... NEWBATH-ENG... JOSEPH JACQUES CHENIERE IN FRENCH, PARRY TREAT THE EXISTENCE OF AN ANCIENT TREATY THAT SHOWS IN DETAIL THE ALCHEMICAL CREATION WE NEED FOR OUR PROJECT...

WE SHOULD BE ABLE TO CONVINCE A PROFESSOR TO RESEARCH AND LEARN WHAT WE'RE FACING SO FAR.

YES! AND THAT WILL GIVE US TIME TO FIND THE TREATY JACQUES MENTIONED.

WHY DO WE NEED TO MAKE SO MANY COPIES?

WE NEED TO PRESENT A PLEASING PROPOSAL, AND I WANT TO BE ABLE TO MAKE A COMPREHENSIVE STUDY.

MY COPY CANNOT COME OUT...

WELL, SURE, HOW YOUR PROJECT GOES!

Sad times for heroes

During the rescue operations following the passage of hurricane Dore, a group of heroes was caught in the act of conducting humanitarian aid.

Fortunately, the hero brigade have arrived in this case. They know the legal situation, and these three should be able to take the group of exiles, who are considered dangerous fugitives, into custody without incident.

According to the spokesperson for Human Help City, the rescue was hampered by the fact of these heroes' betrayal. Let us hope that justice will do its job and serve them; we will insist upon it being the unfortunate office.

"You are with us, or against us!"

This, word for word, was the declaration made by the president of the free world in front of a gathering of journalists during the national human rights convention. One could ask oneself about his use of "or" - is it inclusive or exclusive? His discourse galvanized the audience, indeed, the state almost stole the show from the evening.

"We will exterminate evil wherever we find it, wherever form it takes [...]. Liberty cannot be satisfied with half-measures, and it is all together that we will strive to keep the enemy off of our streets."

declared Captain Barbell afterwards. Perhaps the Captain means to stretch all the way to Middle-East...

There is no doubt that this is the definition that the president chose when he gave his speech. "The heroic intervention forces our borders to guarantee the safety of our citizens and every inhabitant of the free world. The fight will be long and hard, but we will prevail, because God is with us!"

Number of people dead after an attack on city streets: 64. Among the casualties, some children from ages 4-12.

If we were able to contact the families of those affected, we didn't have the heart to report their accounts of powerlessness and anger. Where are heroes when we need them?

BERRYMAN BEHIND BARS!

Captain Barbell has finally captured the notorious Berryman, who was seen in the possession of a large amount of money. The decision to his arrest, the money must face the new laws that reform the justice system, and Berryman was arrested and found guilty for the first time in the 15th office of 1975, and now afterwards escaped from five federal prisons, robbed twelve banks and sacked a commercial center. Thanks to his lightning pace in new states, he terrorized the population for more than 30 years.

But now it's all over for this guy: after the prosecution has laid down the law, Berryman is under heavy surveillance at this time, accompanied by a "bodyguard", and he can't even shuffle a step without being followed by the five cameras that watch him constantly in good houses and in spite of all these measures, the super-villain declared, "For all that she will change me - who knows?" maybe it's by you now!"
